

WORLD OF RADIO #1139, produced July 10, 2202 by Glenn Hauser

- *WOR missing from two times on WWCN last week, always possible when time needed for something else; still officially scheduled Thu 2030 on 15825; future less certain UT Mon 0000 on 9475. Latest info we have at <http://worldofradio.com>
- *But WWCN added second play of Mundo Radial, Wed 2100 on 15825
- *DXers Calling no longer via live365.com but Tim Gaynor does it another way: DXLD 2-110 or see <http://www.geocities.com/nri3> <http://www.angelfire.com/myband/tjg> <http://nrin.hypermart.net>
- *New Zealand's stay on 9515 was short, perhaps due to Sackville QRM; moved to 9850
- *R. Free Bougainville barely audible in NAM on 3850; allegedly powered by coconut oil
- *DXJR, Philippines, 1575 kHz, heard for an hour at Grayland WA
- *R. Free Vietnam clandestine changed 15235 site from Uzbekistan to Tajikistan
- *Democratic V. of Burma clandestine moved from 9490 to 9850 via Germany; 11715 returned from Uzbekistan to Madagascar site
- *Full data QSL from Bhutan, on ``traditional handmade paper from the Daphne plant''
- *Tibet English broadcast at 1630 audible in Austria; but another time for it, 1100 reported from India, should be better in NAM
- *China really upset with Falungong over hijacking satellite feeds; see DXLDs 2-107, 2-110, 2-111
- *V. of Mongolia moves from one to another favorite 12 MHz frequency
- *V. of Mongolia verification letter encloses a bone, antelope?
- *V. of Israel reorganization July 21; two of the four English SW broadcasts change timings
- *R. Mogadishu, V. of the Republic of Somalia, off air in business dispute over supply of generators; 6 MHz outofband?
- *R. Hargeysa, Somaliland, 7530, heard with news in English
- *R. Sagalee Oromiya, clandestine to Ethiopia, heard again on 12110, after inactivity; another one, Netsanet not audible
- *Police raid V. of the People, Harare, Zimbabwe, confiscating tapes and files, but found no transmitters; don't they know the broadcasts are via Madagascar? Still heard as usual
- *Salama Radio, from UK to Nigeria, in Hausa, Fulfulde, and others; Calvinist sermons included
- *First? QSL from R. UNAMSIL, Sierra Leone; see report at http://www.dxing.info/profiles/6138_unamsil.dx and still reported in North America
- *Fires R Us at R. Nederland; another Flevo transmitter, but should be back in a week: <http://www.rnw.nl/realradio/html/flevo020708.html>
- *Flemish National Day ham special July 11, publicized 4 months ahead, just reminded, OS4VRA on 3620
- *The media magazine you monitor with your mind, World of Radio 1139, wghauser@hotmail.com or PO Box 1684, Enid, OK 73702 USA. Website

growing fuller: <http://www.worldofradio.com>

- *Thanks this week for financial support to E. Everett Edwards, in memory of a longtime listener who died in March, Leslie Edwards
- *Special test from Luxembourg announced too late for last week's WOR, happening too early to tell you in advance, July 10; assessing 500 kW transmitter in preparation for conversion to digital; blocked in the Americas; widely heard in Europe, but modulation not up to par; notification well in advance was in DXLD and MONITORING REMINDERS
- *Laser Radio test scheduled July 7 was no-show, but rescheduled via Latvia July 13 and 14 [+ 21, 28]; see <http://laserradio.net>
- *Latvia still hopes to persuade RFE/RL to move there; and head Thomas Dine visited Riga
- *RFE/RL cancelled broadcasts in Czech, language of current host; see DXLD 2-107
- *Radio jamming by USSR from Estonia, with sensitive photographs: <http://www.okupatsioon.ee/english/mailbox/radio/radio.html>
- *R. Polonia says SW is far from dead, but will close obsolete transmitters in Poland, transmit via Germany, Slovakia instead; time running out to hear and QSL Poland via Poland
- *Foreign relays to start October 1, but sites not decided
- *Listening in Lapland, for two sesquidecades, achieving astounding MW DX from North America: article in DXLD 2-110
- *July 8-12, R. Sweden broadcasting live from Gotland
- *This year's BBC Prom Concert season begins July 19; webcast on BBC R3; BBCWS has 54-minute weekly special on Weds/UT Thurs
- *Dissatisfaction with American conductor Leonard Slatkin, and controversy on how to handle Last Night of the Proms: DXLD 2-110
- *CBC spur on 17920 weekends only is mix of 17800 and 17860
- *CJWI is call of new 1610 station testing in Montreal; as soon as publicized in local newspaper, tests ended, to resume in August; From International Radio Report, recording of test loop in French
- *New low power, airport station at Dorval, Montreal, CHDO, by August 1 on 89.7 FM, non commercial, unlike Toronto's AM commercial
- *New United Nations Radio SW schedule to Africa, with sites, one hour total weekdays
- *Brother Stair case: Sister Stair says two of four charges dropped, and judge laughed at the remaining two; but he's still in jail
- *Remnants Hope Ministry, Stair detractors, broadcasts via Germany canceled
- *Another KPH, Bolinas CA special UT July 13: DXLD 2-109
- *Grosse Point, Michigan, has classical pirate on 1170
- *WOAI-TV callsign to resume on channel 4 in San Antonio, after years as KMOL, to match radio, again co-owned by Clear Channel
- *Official callsign registered for Dr. Gene Scott's SW facility at Cahuita, Costa Rica, never given: TIRWR, informally called 'TIDGS'
- *La Voz de tu Conciencia, Colombia, planned return this weekend or next week on new 6060; slight correction to address given last week: Calle 44, No. 13-69, Barrio Palermo, Bogota, DC

- *Another major anti-Chavez demonstration scheduled July 11; monitor stations or check <http://www.auyantepui.com>
- *R. Inconfidencia, Belo Horizonte, Brasil in growth phase, with a new transmitter, heard well on 6010
- *R. Nacional, Sao Gabriel do Cachoeira, Amazonas, heard on 3375
- *R. Cancao Nova, Brasil, Alem Fronteiras listener contact program also invites chat July 13, <http://www.cancaonova.com/dx>
- *SODRE, Uruguay, confirmed still active on 9620.8 relaying CX6
- *July 18-24, CE0Y/7K1WLE, Japanese ham visiting Easter Island
- *Radio Shack discounting DX-399 = ATS 606, # 20-229 for \$70 including AC adaptor, case; no SSB
- *Tony Mann, Western Australia, has now received 19 US UHF TV stations by moonbounce, and one from Australia; see DXLD 2-109
- *Propagation notes on solar cycle from Ken Fletcher; flux dropping, on downside of cycle
- *Propagation outlook from Boulder, July 9; Flux range 130-145-130
- *Glenn Hauser, here, concluding World of Radio 1139 ###
